Like her pictures but better. Tall, curvy, beautiful ink, and those lips!

Happy to let you run the show or run away with you.

The Story:

This was my first ever visit. I was not sure what to expect. Elektra calmed me through my initial anxiety with her hands masterfully round my cock and her tongue down my throat. After that a massage with her pinning me slightly and playing with my cock and balls from behind.

The rest of the hour was a whirl of pleasure and fun. I'll be coming back.
