The Premises:

A great parlour. In a quiet backstreet in Bury but well lit and easy to find. The reception area was clean and tidy with a lovely, friendly receptionist that made everything effortless. Also had a lovely chat with her as I waited for my girl. Comfy leather sofas, large TV, a nice place.

The Lady:

Wow! Stunning doesn't come close to covering it. Very pretty, lovely twinkle in her eye and a body with all the right curves in all the right places. Entered the room in a long black dress and heels that really showed her off to a tee. Beautiful boobs, lovely shapely bum. Just gorgeous.

The Story:

Probably the best punt I've ever had.

Maria came into the room after I'd finished my shower with a warm smile, naughty twinkle and a bubbly hello which put me at ease instantly. I'm not a regular punter and not in the best shape so was a little nervous but that just melted away. A little friendly chat before Maria took the lead and gave me the sexiest, most sensuous and passionate kiss. Fully into it, with tongues and sexy little noises. Both our hands wandered as we enjoyed the closeness (I certainly did and Maria seemed to) before my towel fell to the floor and Maria turned so I could unzip her dress. With her back to me and as she removed the dress I took the chance to stroke my hands over her beautifully soft bum, up her sides and cupped her gorgeous boobs (I'm not great with sizes but definitely a good handful) and it was great that she leant into it, turned her head for another deep kiss.

Then, to the bed where Maria let me indulge myself by going down on her stunningly shaved pussy where she really got into it, allowing me to slip a finger in. After 10 minutes I'd worked a little magic and had her cumming which is a massive turn on for me. After a little more kissing and cuddling and chatting about how she liked pussy herself and loved a good 3-some (next time Maria) Maria returned the favour with the best OWO I've ever had, kissing and sucking my balls and really giving my cock some fantastic attention, all the while letting me finger her gorgeously wet, tight pussy. How I didn't blow my top there and then was beyond me. A few minutes later and we were 69'ing which was all I could do not to finish there and then. For those who enjoy orally pleasuring a girl, Maria's pussy is perfect.

Then it was time to fuck and knowing I wouldn't last long I opted for missionary. Some lovely dirty chat and deep kissing as I slipped my covered cock into Maria's amazing pussy which felt tight even for my average size. A couple of minutes of kissing and fucking before I came hard.

Some more kissing and cuddling before getting in the shower together and then getting dressed.

All in all Maria was amazing. Arguably one of the best fucks I've had and definitely the perfect GFE. Thank you Maria, see you again soon.
