The Story:

Went into the room and took a shower. As I came out aylin entered the room looking fantastic in black underwear.

Got the paperwork sorted. I sat on the bed with aylin stood in front of me and I just kept sucking on those nipples.

After a while I got her on the bed for some kissing and cuddling. Then went to see the most beautiful pussy I've seen in a while.

I was eating her pussy for a good 20 mins and she was moaning quietly. She was now getting very wet as I was flicking her stiffening clit with my tongue. I stopped and asked if she wanted me to continue for a bit longer which she replied yes carry on please. I'm always pleased when the escorts cums. I turned aylin over and looked at the pussy pouting at me from between her tiny tight arse and couldn't help but go back in for some more. I took the opportunity to give her a bit of rimming which I think she enjoyed. I certainly did. Now my turn. Had a good uncovered bj then on with rubber and into doggy. It didn't take too long for me to blow my load. Finished off with a nice back massage and a chat. Will 100% be back for a repeat performance soon.
