The Story:

Well I gave myself my final advent treat today and can I say what a way to go. Firstly thank you to Mr and Mrs Divine. I have availed myself of several of your ladies this month and the extra 15 minutes was well utilised. Merry Christmas and a Happy new year. Foxy walked into the room all in red. I told her I was a gay Elf and she said we'll see about that! She looked straight at me and said "Come here you" I took a couple of steps and we were straight into french kissing with plenty of tongue. Foxy wasted no time in getting to grips with my little man and before I knew it she was on her knees with me in her mouth. Wonderful. This lady knows how to pleasure a cock and I lapped it up. I asked if I could 69 and Foxy was well up for it. Off with all her kit and straddling my head with her lithe legs. She pointed at her pussy and told me to pleasure her. I think I did. I licked and sucked for England and all the time, well most of it Foxy was working on my todger. Deep, wet, slow, fast it was magical. I just didn't want it to end. Eventually it was time to fuck and foxy mounted me cow girl and then reverse cow girl. Then a session of doggy before going back for more 69. We then went to the mirror and I stood and watched a master of her craft at work. I have no idea why but today was proving difficult to reach finale. Foxy laid me on the bed and set about making it happen and boy oh boy did she. Just as I was about to shoot she stopped and then it came up all the way from my boots. Foxy cleaned me up nicely. She has a lovely personality and we joked constantly about todays code and me having to give her my present"my penis" Foxy was a joy to be with from start to finish and thoroughly deserves this her 50th report .

My only regret is that I have waited this long to discover her talents and her new photo's do her much more justice as she is an attractive girl. Foxy I loved every minute. I hope you enjoyed your Christmas with all your family and I will definitely be back soon as you're too good not to. Have a wonderful new year.
