The Lady:

The photos on the site are a really good representation. Poppy is beautiful - short with an amazing figure, smooth skin, pert bum and gorgeous big boobs. What you can't see in the pics is how pretty she is; beautiful eyes and a gorgeous smile.

The Story:

I had a fantastic hour with Poppy. I visited her once about a year ago and have been wanting to see we since, but having been off having a child I hadn't found the time.

Today it all worked out though and if anything, she's even more beautiful than before her break.

The massage was great, some real firm attention given to my back and legs before Poppy jumped on the table to use those amazing boobs of hers. Easily the best massage I've had whilst on my front, with a lot of attention to the bum, balls and cock before asking me to flip over. More great massage with an amazing view before a really, really strong finish with those boobs again.

Never rushed, we chatted throughout and just had a really enjoyable hour. Will be back for sure!
