The Premises:

Private building with plenty of free parking. Nice and discrete entrance. Professional and welcoming inside with lovely rooms. Showers available in the room so no awkward bump ins. All rooms have tactically placed mirrors for full enjoyment with relaxing music playing.

The Lady:

I have seen quite a few of the beautiful ladies at ego but Poppy is definitely the stand out among them all. Fantastic body with perfect breasts (if you love big breasts she is the one for you) and an amazing ass. She has a very pretty face and is a joy to talk too bringing you at ease right away. Such a genuine and lovely lady.

The Story:

Arrived on time and was taken up to the room where I was told Poppy would arrive shortly. Had a quick shower and Poppy arrived shortly.

Introductions out of the way I had the joy of watching Poppy strip out of the uniform and her sexy lingerie to see her body in all its glory.

I laid face down and received a fantastic massage from Poppy with friendly chat. There were quite a few sensual touches which got me nice and aroused and great body to body.

After turning over, more great massage and plenty of oil applied Poppy used her hands and breasts expertly to bring me to an explosive finish.

Oh how I missed Poppy while she was away!
