The Premises:

I saw her in a Earl's Court, nice warm flat near the station. Lots of mirrors. But I think she's moved to Bayswater.

The Lady:

She's not the cute pert young thing as advertised, but a nice enough Thai WG.

The Story:

I was a little disappointed when she opened the door, as she's not the girl on the website. But as usual with these things, it's difficult to leave. I was pleased I stayed in the end.

She quickly had my clothes off and my cock in her mouth, for a long and blissful uncovered BJ. She took her time and put some sensuality into it. Then she got between my legs, lifted me into position, and gave me the deepest rimming I've ever had. Slighted unexpected I must say, but excellent. After a while I suggested sex. Soon I was in a 'reverse cowgirl anal', which I hadn't previously known was a thing, but I definitely liked it. There followed a half an hour of fucking all three orifices, and Candy seemed only too happy to let me. At one stage she gave a pretty good impression of coming herself, just for my benefit I'm sure.

Eventually the tension was too high and I fucked her mouth, pulling out to come over her face.

With 15 mins or so left I was expecting a rapid wash down with baby wipes and a swift push out the door. But she offered a massage until the hour was up.

A great punt. I left properly satisfied. Just make sure you turn up well scrubbed in all areas.
