The Story:

Have not visited this place for a few years and was surprised they had a new flat in Bletchley. I have visited Sarah before but it was probably in 2012. Sarah haven't changed much, still slim with a nice pair of tits with hard nipples. Started off slowly with light kissing and fondling of her gorgeous slim body, then on to the bed for the main event which include OWO and 69, then sex with her on top and then me from behind and finished off with a hand job with CIM. Probably was in there for the full 30 minutes at £60 . Great girl and didn't feel rushed like some other girls from the past.
