The Story:

I've seen Mia several times over the last few years and having been out of the uk for several months decided to see her again on my return. She's still as good looking as ever. Full on DFK with everything on her menu on offer. A large double bed and a fair sized couch were both put to good use. Dressed as requested in her black skirt, white blouse combo we had a fair old 'double pop' romp. Shower before and after and a firm massage thrown in for good measure. A passionate GFE experience and I'll definitely be returning again.
