The Premises:

Well described location in Pimlico, always a pleasure to visit. Was shown into the en-suite room, very nice.

The Lady:

Taller than I expected (although height not stated on HOD website), lovely natural figure, tattoo on arm which I found to be very sexy. In summary, gorgeous.

The Story:

Booked in the morning from my first class seat on a train into London when those around me thought I was working! Nice, prompt and professional process once again. Greeted via the maid who again was welcoming and explained Adrienne would be a few minutes.

Took a shower to recover from my busy day to ensure I was properly ready for the session.

Out of the shower to be welcomed by the lovely Adrienne who stripped off quickly (next time I will do the undressing!).

Adrienne was interested in my day of travels and we also discussed what I would enjoy.

The content of our session is between us but what I would say is:

1. What a fantastic and generous kisser throughout! Exactly what I love.
2. A complement to Adrienne is that I didn't need to be 'finished off' if you know what I mean
3. A lovely GFE with a lovely lady

We ended with a nice chat about my previous visits. Then a last kiss at the door of the apartment.

Excellent session, I was slightly hoping for an invitation for a threesome with Adrienne and Dollar (I did drop a small hint on the way out). I'm no stud but a threesome is on my to-do list for this year!!
