The Story:

Originally had booked to see April but on confirming, I found she wasn't in due to illness. I still had enough time to choose between Claire and Nicole, both of whom were free. I opted for Nicole which was probably the poorest decision I've ever made in my punting history. I can only describe the experience as frosty, awkward and a waste of diesel, money and viagra.
No kissing as advertised, moaned about lukewarm hands, I had to say please for OWO and when I went down on her she was rigid and looking at the ceiling.
A great shame as she has the looks, body and skills to be great at her job but sadly optimised all the negative stuff I've heard about some Eastern European girls.
I was done and out after 35 minutes.
