The Lady:

Helen is a gorgeous redhead. She is tall, slim with amazing natural breasts. The images don;t do her justice and much prettier in person, or actually more real. Great conversationalist and beauty with brains. I actually went after reading her blog and liked that she spoke her mind.

The Story:

My second punt and went back to HoD beacuse of the safe, clean environment. When Helen walked in, my jaw literally dropped. I was still quite nervous but Helen put me at ease. We started with gentle slow kissing which became more passionate soon. Don't want to go in the details but really had a great time with her. She is not overtly passionate/noisy like a porn star. Actually more like a true GFE. You really have to work to get her going as well. Once I was finished, we spent 5-10 minute talking about different topics which was nice. I am defintely looking forward to meeting her again
