The Story:

This was my second visit to see Foxy and it was even better than the first! First visit was only 30 minutes but enjoyed it so much had to try for the 45 minutes this time, was not disappointed! As already stated a beautiful young woman with an amazing personality, who obviously enjoys her job and will do anything to give you as much pleasure as she can, even I managed to shoot twice, not something that's happened too often in the last few years? Not going to go into every detail, but her blow job technique is magnificent and even better when having a 69, as she really let's herself go! I cannot recommend Foxy highly enough, and I cannot wait to see her again, she definitely made me feel like a young man again? Many thanks again Foxy
