### The Premises:

I've seen her before, but in a different apartment. She has a very nice new apartment in Bayswater this time. Easy to find, spacious, comfortable and warm.

### The Lady:

Carmelia is a lovely young thing, she looks like her pictures and there isn't much touching up there really. I was lucky enough to have seen her before, so I knew what to expect anyway. She's a very small girl, slight in frame and short in height, but more than makes up for it in personality! Speaks great English and loves to have a chat and a laugh. I don't often repeat a visit to an escort, but I have a strange attraction to her, what can I say?

### The Story:

Action started out as it did last time with Carmelia. She did a sexy little dance and I stripped her off whilst sitting on the edge of the bed. She has some lovely moves and grinds nice and gently against the old chap! Then it was onto her knees for some good old noshing down on my little friend. She's very good at this, nice and wet and plenty of eye contact as I like. She doesn't get that much in, but what she does, she does well.

More of this when we got onto the bed, before she decided to cover me up and get on top for a reverse cowgirl ride. She looks lovely in this position and it really gets her off, which is what makes it even more sexy. I switched her around eventually so I could get my hands and my mouth on those perky boobs (all natural of course), and we went at it like this for a while. Carmelia gives quite a lot of encouragement during sex and I like a vocal girl when I can get them.

Switched to missionary position for a while where I could reach around, grab her cute ass and pull her in close. Kissing her neck was lovely too, she smelled great. However, I was getting very tired at this point, and it was a later booking than I had planned (plus I'd already seen another girl that day – getting too old for this hobby perhaps
