The Premises:

Pleasant flat above a shop. Nicely decorated and clean looking. Stairs up to flat a bit exposed but as long as you don't live in the area why worry !

The Lady:

Lovely looking lady, fairly tall and very well built in the nicest possible way. Very much like her photos, aged about early thirties.

The Story:

This was my second visit to Sarah, so that in itself is a recommendation. She is an absolutely lovely person and I don't just mean the sex. Yes, that's what we pay for I know, but it's nice to have sex with someone that you actually like. As I've already said Sarah is lovely looking with a gorgeous body but she also has a great personality with a sense of humour and she doesn't take herself too seriously. I really enjoyed her company and had a laugh as well !

I never go into specific detail about my time with any lady, but I will say that she seems to do all on her list with enthusiasm, or at least she did with me. She is also patient and understanding - sometimes needed with me as things don't always work as well as they used to if you get my meaning !

Please treat this beautiful lady with the respect she deserves.

If you're reading this Sarah hope to see you soon xx
