The Story:

Had a great time with Roxy.

Nice massage to begin with which gradually became more intimate, before she asked me to turn over for some french kissing. A seriously good blow job then followed with Roxy alternating by firstly taking my cock, and then my balls, in her mouth. Divine!

I then had to get in between her legs and lick her lovely pussy and I managed to get her to come fairly quickly.

On with the cover and after starting with doggie, I fucked her mish style until I came.

Excellent punt. Highly recommended,
