The Premises:

Nice quiet street in the Gloucester Road area. Booking was made very easily, with helpful receptionist. Quite an early time for some of these girls so I'm told. Flat was easy to access, really nice inside, neat and tidy. Shower was really nice too.

The Lady:

Emma is a Russian girl in her early twenties. She looks just like her pictures. She's all natural and very beautiful. Her English is not very good, but she is very keen and tries hard to understand. Cheerful and very enthusiastic (as I find most of the Russians). Fabulous body, quite tall. I'd say about 5.6

The Story:

Emma was the perfect GFE if I was eligible enough to get a girlfriend like this! She's a very hands on, affectionate young woman and this started straight away. Soft, then deep kisses and lots of touching etc. She was wearing a black negligee tied at the waist with silk. When she removed this, she revealed her lovely body, wearing just red panties and matching bra. After I'd admired her for a while like this we began to get down to business.

She took off her bra and let me look at those lovely big boobs. They're not over big, they're all natural and perfectly proportioned. Lovely to hold, and her ass was equally as beautiful too. I like Emma's figure because she's not skinny, yet she's still tight and reasonably toned. Just a perfect body (for me anyway). It was then that she dropped to her knees and took me in her mouth as I sat there on the edge of the bed. This has to be one of the best blow jobs I've had in a while, I'm not kidding. Very varied, trying her best to deep throat now and then, nice licking and attention to my balls etc. She really gets into this.

I returned the favour to her for a while too and she seemed to genuinely enjoy what I was doing. They don't all like it because generally we don't know what we're doing down there of course! But Emma was really loving it. I enjoyed grabbing her ass and her tits whilst I was in the middle of it too. This was followed by some wonderful sex. I couldn't really go into great detail about all of it, but it was really good in multiple positions. My favourite was missionary this time, and her on top, as opposed to from behind with her on laid down with her legs closed. This was also nice of course,

and during this position she shoved her hand between her legs and brought herself off whilst we moved against each other slowly.

I have to say that throughout all these positions, Emma never stopped her kissing. Passionately too, with lots of tongues etc. she really loved getting very close during our time together. She finished me off with her mouth again, and by rubbing my cock in between those boobs of hers. But what really made me bust my nut was when she licked all around my balls whilst jerking me off. What a woman!
