The Premises:

Hush is a discreet building and once inside oozes class and luxury with separate large rooms with en suite showers

The Lady:

Gorgeous. Beautiful figure including wonderful firm breasts all wrapped up in matching sexy underwear. But, for me, it's her personality which makes her outstanding - warm, affectionate and considerate with an erotic massage technique second to none.

The Story:

I've seen Jenny three times now and it would be more but our times don't often coincide. I haven't previously posted a review, not because of wanting but because I was trying in the wrong place!! After a shower, Jenny returned to the room, tunic agape revealing wondrous breasts nestling in a plunging red bra. The tunic was soon off and as I lay on my front with things very much stirring Jenny stroked my back and buttocks with a sensual feather before moving on to soft hands paying plenty of attention to the sensitive, now twitching areas. breast replaced hands and then the turn over. Wow. I was now able to watch the process applied to my front. Sensational. I leave the rest to your imaginations. A shower, a cuddle and a kiss sent me on my way, very, very happy. Now for the best bit, I'm seeing her again tomorrow!
