Basement flat, quiet street, couple of minutes walk from local tube. Good large clean shower and living area with couch and double bed.

The Lady:

Anna's selfies in the website are spot on. Mid to late '20`s and slightly taller than most thai girls. A full figure and lovely personality. Anna's hoping to have some new photos taken next week.

The Story:

Anna dressed as requested and I was met with a full long DFK . This was going to be good and it certainly was. Present exchanged and a shower then straight on to the couch for a proper roaming hands DFK session. Eventually moved to the bed by which time Anna had somehow lost her clothes. Prolonged OWO , more DFK and RO before Anna got on top and went like a wild thing. Rolled over into mish , then a sideways legs in the air position. A few other combinations by which time it was getting a bit of a blur, but I remember it ended with a full CIM. Eye contact throughout was very sexy. A few minutes recovery then a shared shower which again got very intimate. Back to the bed for a very good oily pro massage which slowly developed into round two. All the time Anna asking me "you like?" and I sure did. Second pop onto Anna's legs and it was almost time to leave. Third and final shower , dressed, prolonged DFK, more groping and out the front door promising I'd return which I definitely will. Top notch GFE.
