The Story:

First of all
Shame on anyone reading this who has seen Lilly and not reviewed her
I was told by another HOD SP that Lily is the real deal
So thanks Vanessa
;-)
But naughty punting community for keeping her to yourselves
But kudos for reading the only punting site that matters
At least the secret will be revealed to those that count...
THIS WAS THE PERFECT PUNT
Lilly is stunning
If you saw her in the club you'd want to be taking her home
If you saw her in the street you would have a second and third look
You'd be ubiquitously proud to be in her company
But moreover she's down-to-earth, inquisitive and friendly
Almost like she doesn't know how fit and cool she is
I think we genuinely got on

And I said to her she's either a brilliant actress or we had an amazing time
Prolly somewhere in between is the truth
Pretty sure she case with me fucking her standing doggy in her heels
I did my best to position the rickety mirror to give her the view we had created
The finish was extraordinary but I am keeping that to myself ;-)
Other highlights include
The wonderful sounds she makes
The fact she went the extra mile with every aspect of this encounter
Her smile
Those little tender moments that punctuated the action
But in particular seeing her in cowgirl and RCG and seeing and hearing her delight as we found
different ways to make our bodies coalesce
Again if you know what's good for u you'll get booking
And if I don't get to see her again
So be it
But perfect lady perfect punt
;-)
