The Premises:

For those of you who had previously seen this fine lady, you'll be glad to hear that she is in a new location and, yes, there is now hot water in the shower. It's slightly further away from the hustle and bustle of the previous location, but a bit more quiet and discreet.

The Lady:

Mid 30s, MILF type Thai lady. Usual petite stature, but great natural boobs. As with these ladies and their pictures, they're often airbrushed like crazy, but you do still see that it is the lady in question, unlike pretty much all other Asian services who just recycle stock pictures from Japanese magazines or whatever...

The Story:

Once I arrived, dealt with paperwork n had a quick clean up, we got off to a cracking start. Mata goes for the more GFE type of service, so expect, nice and slow OWO, DFK, etc... everything short of anal (which I should query her about next time). First pop was from behind and grandiose. She does have some great boobs and she let me go to town with them!

Then a long massage and some conversation too. Her English is adequate enough to hold a conversation, but you do have to listen carefully you're not too good with (what I call) foreign English. She really worked on my back and loosened me up. Then, her touch got softer and her bountiful boobs got closer, which I then took to be time for round 2.

I figured it'd be rude not to return the favour after some good OWO from her earlier, so I went down on her which, no pun intended, went down a treat. Then onto a bit of mish then finishing with her on top with my face buried in her chest. After cleaning me up and me taking a quick shower, she was very kind and offered me a snack, to which I duly accepted as the icing on the cake.

Always a pleasure seeing Mata. Did I mention her boobs??
