Accurate photos on profile. As others have said 'girl next door' look. Most of us wish that the girl next door looks like Gemma! Nice figure, chatty lady and enthusiastic

The Story:

Been a while since my visit. Gemma is one of those ladies that you can rely on for a good time. She kisses nicely (although not much in the way of tongues) and give a divine blow job. She was chatty and remembered me from previous visits. She does have a sense of humour and so when I suggested a bit of reverse oral she told me that she 'hates it' but got into a suitable position and made appreciative noises. Great (covered) sex with cowgirl, missionary and doggy before the inevitable happened. She does not do CIM - not a problem for me as the time with her is always enjoyable.
