The Premises:

Clean parlour that felt safe and comfortable. Not the most private entrance in the world but not a problem for me.

The Lady:

Gemma is very pretty. She is beautifully proportioned, large-ish breasts in proportion to body size, slim and with a small landing strip. She's quite laid back, a good conversationalist and though Eastern European, speaks more or less perfect English. What you see on the website is accurate.

The Story:

A vanilla but very enjoyable punt. That suits me so though those of you after a PSE or a raunchy punt might do better to look elsewhere, those who want a low-key time with a pretty, friendly girl couldn't do better.

Her service was very girlfriend like. Unforced conversation to begin with and then moved on at a mutually natural pace. Plenty of kissing and cuddling, nothing felt forced, excellent oral and sex. No exaggerated play-acting or moaning on her part too. Enjoyed both her company and her body equally.

If the above sounds like the sort of punt you'd enjoy I'd recommend Gemma very highly. Without doubt, I will be back to see her again.
