As described in numerous other reviews.

### The Lady:

A lady of refinement, reportedly in her 30s, fully shaven, with perfect teeth, very large breasts with a body (and teeth) that many younger ladies will give their right arms for.

The photos on HoD's website provide a very good impression of what to expect.

### The Story:

The blurb in the bio section of Sarah's profile reads:

"Sarah returns to House of Divine!! Those that know, know. Those that don't really should find out."

I have the privilege of being one of those in the know for I'd seen her over 5 years ago and my review of that encounter - number 116269 dated 10 March 2014 - is still up on P'net though not currently linked to her profile. I recall having such a good time on that occasion that I wanted seconds but was unable to book another session for the same day as they were fully booked - it was a Saturday afternoon. Not being a HoD regular in those days, she sadly fell off my radar and I was delighted to learn recently that she is now back on the roster.

Sarah opened the front door when I arrived which took me aback. The maid apparently had to go to Pimlico to sort out the flat that's closing leaving the two ladies working that day to fend for themselves which explained why I was intriguingly instructed to come no earlier than the appointed time when I rang to make the booking. I really don't think she recognised me which is perfectly understandable as I look a lot older nowadays and no doubt a lot of water has flowed under her bridge since the last time we'd met.

She stayed in the room while we nattered as I undressed and then the action started with her her

stripping off as soon as I was naked. The first kiss quickly morphed into fk and soon after into long bouts of dfk as passions quickly became inflamed. I went to give her ro and within a couple of minutes she gave all the signs of orgasming complete with all the usual bodily indications to back this up. With 10 minutes until the final whistle, I asked for an owo cim finish which nowadays is my favourite method of completion when it is available. She took enormous delight in telling me in great detail everything she was going to do to me and she was as good as her word with her owo reaching the parts that most other HoD ladies don't reach. Such was the pleasure that I found myself quivering and gripping the side of the mattress until the inevitable happened after being on the edge for over 5 minutes of pleasurable agony. This unsurprisingly was extremely powerful and longlasting but she kept her lips round me until eventually I asked her to stop.

As I dressed, she remarked that it was wonderful that her and I were on the same wavelength. I concurred entirely saying the best punts are those where there is a connection and I thought there was definitely one between us. I departed bang on the dot of the 30 minutes that I had booked for promising that I'll be booking her again this time a lot sooner than 5 years.
