The Story:

Natalie is a very friendly welcoming lady, and made me feel welcome and comfortable.

She offered me a selection of drinks: as a glass of wine, champagne or juice. (I must say I was quite impressed with her manners and elegance). Her English is fluent.

I choose a glass of wine and we sat on the sofa chatting for a bit. She started kissing me, and we started to touch each other's bodies for a while. I was very impressed with her kissing abilities. She deep kiss me, with her tongue.

Then we got on with the real business and moved to the bed! Natalie gave me a deep and wet blow-job, and let me return the favor in a 69 position. Her pussy has such a sweet taste and she was so receptive to me, that she cum on my mouth. I turn her over to place her in a missionary position, she placed a condom on me, and I lifted her bum and entered her immediately. She was so warm and inviting. We continued in this position for a while. I turned her around so that she was kneeling on the bed on all fours so I could fuck her from behind. I was steaming by now and I did not take long before I shot my load, although I got to say I think I came much quicker because of the way she seemed to draw me into her more as I stroked into her.

After, I took a shower, get dressed and kissed Natalie goodbye as she whispers on my ears a "See you soon..."

She can bet she will!
