The Premises:

Nice clean flat just off Queensway, with shower.

The Lady:

Tracy is better looking than most of her photos (cliche I know, but true). The video is more accurate.

Otherwise, as described in her Olina profile.

She is very small apart from the enormous enhancements, with no fat anywhere.

The Story:

The best looking Thai girl I've seen for years, and I've seen many.

Tracy is very friendly and was keen for me to have a good time, which I certainly did.

She provided all advertised services including kissing. In my experience Thai girls often aren't keen on this, but Tracy is a very good kisser.

Although she doesn't look like her, Tracy's personality reminds me of Elsa, who was my favourite girl until she went home.

I will return next time I'm in London. If I lived there I'd probably go broke.
