The Premises:

Premises is a basement flat in a quiet square off Queensway. A few minutes walk from either Queensway or Bayswater tube. Anna is in a clean bedsit type flat that has a back door that can be opened for some fresh air. Small but clean bathroom with a shower big enough for two. Large comfy bed.

The Lady:

Anna is a beautiful young Thai lady in her mid 20s, slightly taller than most Thais with a more womanly body. Gorgeous boobs that demand attention. I've seen more than a few Thai escorts in London and she is by far the sexiest.

The Story:

This was my third time seeing Anna. I knew within moments of first meeting her that I'd be seeing a lot of her. She's always full of smiles and warm welcomes and her GFE service is first class. Things tend to start with a great shared shower with lots of kissing and OWO then it's onto the bed for a lovely GFE session with lots of touching and cuddles. I adore performing RO on her which she's very responsive to.

Anna is a very welcome breath of fresh air to the London Thai scene and is highly recommended. I plan to see a lot of her while she is here.
