The Premises:

Nice clean flat easy walk from the tube through nice mostly residential surroundings.

The Lady:

Sarah is a classy lady slim with big tits. 35 years old. She has'nt the balik etli body type normally liked by Turkish men but her tits will have them swarming around her in great numbers anyway.

The Story:

I'm living the dream. You know what I mean?

Who would have thought that the son of a shoeshine operative from the Fatih district of Istanbul and an Anatolian farmer's daughter could be shagging classy English ladies. That is what has been going on in my life recently. Check out my previous reviews to see what I mean.

Sarah made me feel very welcome as soon as she entered the room by casually engaging me in conversation as if she had known me all her life. Though she was very easy to talk to, she oozed so much class that I was a little in awe of her and tongue tied despite being garrulous by nature. You know what I mean?

I didn't know what to say but started whinging about how difficult it was for me to get to House of Divine's locations as well as to Milton Keynes. She seemed to understand and told me in the past they operated from premises in Euston, St John's Wood and Maida Vale. I wish I'd known then as I would have been a customer long ago rather than jotting down telephone numbers from cards in paper shop windows to connect with ladies closer to home.

Sarah then asked in her classy accent what I wanted to do to her. Action spoke louder than words I thought so I started kissing and sucking her gorgeous tits. She started to moan quietly telling me how good it felt. I then moved down to give her pussy a good lashing with my tongue. This is something I know I am good at and soon she was moaning louder. She told me to go faster and then she came 3 times.

Looking at me with dreamy eyes, she told me it was my turn. My cock by now was as rigid as a skewer of lamb sis kebab and almost as long and fat. She gave it such as good sucking without a condom that I thought it was going to burst.

She then put a condom on me and told me she wanted me to fuck her hard. Who was I refuse. You know what I mean? So I fucked her hard until she came noisily. And then so did I.

I have always fancied classy English ladies but never had a chance of meeting one socially let alone go out on a date. Now I know how I can fuck one whenever I want. You know what I mean? Long may this continue.

In?allah.
