Lovely, friendly, sexy and sensuous blonde with a good sense of humour. Tall leggy with a sexy cute bottom.

The Story:

This was the 2nd time I visited Miss Linda though it has been a few months as I don't live in the UK. I had emailed her in advance with a role play scenario where I am her neighbour and I have been asked to come around to see her whereby she confronts me for spying on her. She threatens to tell my wife and/or call the police and blackmails me to accept punishment. This leads to me being punished and teased by her.

Just pass the halfway point, I threaten to inform on her for running a spanking business to the landlady. We then switched as I then get a chance for revenge !

Linda played the role convincingly and used a variety of implements on me. I can attest that she is very proficient with the implements and enjoyed it too !!

When we switched, Linda took a hard spanking (after a warm up) which left her with a glowing red bottom !

I enjoyed the session immensely and I think Linda did too ..

Linda is super sweet and a pleasure to chat to after the session as we let the adrenaline settle back down before I took my leave.

I would highly recommend Linda, a classy, fun, warmth and truly genuine lady to play with.
