An extremely attractive sexy tall blonde, with a lovely body. She is friendly and very easy to talk to, with a good sense of humour.

The Story:

This was my first visit to Linda and I felt at ease with her within minutes of meeting her. Our session was centred on corporal punishment, and I had requested a switch session which started with her playing the role of a secretary being disciplined by her boss. She has a simply beautiful bottom, which turns a lovely shade of pink after she's been spanked. We then switched. I had requested Linda to spank me and then cane me. She gave me an enjoyable spanking over her lovely long legs and then tied me to the bench and administered several sets of six strokes with a heavy cane. Linda is adept with a cane and will administer a sound thrashing at whatever level you wish in a sane and sensible manner.

I can vouch only for her CP abilities although I am sure she is equally versed in many other arts, as her other reviews attest. I plan to visit Linda again soon and hope to be able to explore some of those other skills further with her.
