Shared flat, clean and tidy, shower, plenty of parking.

The Lady:

Stunning, as her pictures and absolutely lovely.

The Story:

I requested domination with sex at the end, I know not true domination but that is what I wanted.

I timed it just right as her previous client had been horrible to her so she was in a bad mood to my benefit with the domination.

She did everything I wanted and asked and finished with some great sex and a massage, she had calmed down and was a delight.

I will certainly be visiting again for some more role play and girlfriend experience.
