### The Premises:

Clean and fairly discrete with plenty of free parking in the surrounding area.

### The Lady:

Young looking girl in her late teens to early 20s. Great very slim body with a grabbable arse and small perky tits. Has kind of an exotic look with a very sexy northern voice. Initially pretty quiet but seemed to open up a bit as the session went on which turned into some great conversation.

### The Story:

Picked her out of a great lineup of girls, a tough decision as each one was a great looker. Then followed that sexy arse up the stairs to the room. After the shower, started off with a massage and a chat which quickly turned into some great oral. Lots of eye contact and a bit of spitting. Moving onto bending Darcy over and doing her from behind- one of the best sites I've ever seen, she has an amazing sexy shape and feels great as you hold onto her sides and enjoy the ride. Shes up for doing any position and is very attentive.

Her service is not robotic going through the motions, it flows nicely and she gives a great time.

Great looking girl with a great body and knows how to use it. Comes across as a lovely person too, which is a massive bonus in this industry.

Looking forward to seeing her again- which I rarely do.
