The Premises:

Nice apartment in Bletchley, nice large room. The parking in the area isnt so good compared to the CMK locations but then again I dont know the area too well.

The Lady:

Absoloutely gorgeous with lips to die for. Young, slim, tight brunette girl. Photos on the site are accurate.

The Story:

This was my first time seeing Dollar and I cant imagine it to be the last, only next time it might be a duo with Adrienne too hopefully.

Dollar has a wonderful attitude and personality, she really open minded and very easy to speak to which is great for a nervous / anxious person like me, she can really put you at ease.

Her services are absoloutley top notch, she has an incredible BJ technique and with lips like those, its like somthing out of a dream.
