The Premises:

It was a hotel room so basically ok, but the gloryhole was a kids tent with hole cut in it. Weird

The Lady:

Didnt see her , gloryhole. Really bad attitude

The Story:

This was the worst ever. I spoke and she literally abused Mr Knob!

She was abusive from the outset, no talking AT ALL

Promised anal and did not do it. When I asked for it she literally HIT me

After a OK wank I was getting dressed and told her she should not advertise anal if she cannot do it. She poked a KNIFE through the gloryhole and nearly stabbed me with it.

THIS IS A NUT CASE
