The Premises:

Clear directions make Foxy easy to find, no problem with parking. Flat was clean, tidy, and nicely decorated and furnished.

The Lady:

Exactly as it says on the website, though she looks better than her pictures.

A thoroughly bubbly personality who remembered me from my last visit, which was probably in 2012.

Seductively dressed and yet easy to undress too, when the time came.

The Story:

I was still partially numb from a visit to the dentist, but Foxy was very careful to avoid caused discomfort as we kissed and cuddled.

Once the clothes were off we retired to the bed where as we indulged on mutual fondling which, for her part soon transformed into OWO.

It seemed that Foxy's body was in constant motion to allow the OWO to roam around, though she was always reachable.

And in conclusion? Two very satisfied participants!
