Really pretty young girl, slender, attractive face, beautiful hair.

The Story:

When I first started punting several years ago, this would have been fine, just the thrill of being with a beautiful young woman being enough.

The problem is I have become more discerning and am now looking for that 5% or so of girls who are both my type and who either genuinely enjoy the experience or act so well that I can't tell.

Jess is friendly, attractive and I have bedded a beautiful young woman. In truth for the price paid I really cannot complain.

But within two minutes of intimacy starting, I could tell that Jess was not engaged and was not going to be. She was friendly and professional and does not deserve a negative, but it is a neutral only from me.
