The Story:

I see Amy few years back and had a good vanilla time back then. I remember she was absolutely stunning. Well today I went in and she looks just the same and better than I remembered. She is a delight smiley and chatty and really wants to do what you want. Now I noticed on website it has she does anal. Now the usual thing that happens is girl says no, jamiee, Ella, Ruby where all no not today. Tina was the only girl who was always up for it. so when I asked Amy, I was surprised when she said yes of course just take it slow with me. So she delivers all services and she really got in to the anal so I will definitely be back fir another naughty treat with a smoking hot girl.
