The Premises:

As described in numerous reviews.

The Lady:

Brunette, 20 something, tall, slim, small breasts, attractive in a girl next door sort of way, fully shaved, relaxed happy demeanour, reportedly Eastern European but in appearance she can equally be mistaken for middle eastern.

The Story:

Belle goes into the annals for being one of a small but select band of ladies who I've seen more than twice. I first saw her in August 2017 when she was new to HoD and presumably new to the industry as she was so enthusiastic and keen to please - my P'net review (124936) is still up. She was so good on that occasion that I went back to see her again on her next shift when she was just as good and then again 6 months later when she was part of a FFM as described in my P'net review 125905.

I couldn't have made much of an impact on her as she didn't recognise me on my latest visit.

This time round I'd received some fk/dfk, owo, plenty of 69 and finishing powerfully with cim. She came into the room almost as soon as I arrived and I left the building 2 minutes before my time was up feeling that I'd got my money's worth.
