The Premises:

My first visit to this new HOD location. The area is reasonably busy but this affords anonymity inside the flat is small but completely suitable and clean

The Lady:

Sarah's photos are accurate and probably don't do her justice

The Story:

I was in London and was surprised to find that Sarah was available at short notice. During our time together we enjoyed mutual oral deep shagging in cowgirl which gave me plenty of time to play with her very responsive nipples. We ended the session with some more oral which ended with me coming in her mouth. A very enjoyable session which I hope to be able to repeat
