The Premises:

The minute walk from Victoria station. I arrived five minutes early and had a shower. The maid offered me a drink and showed me to the bedroom when it was free.

The Lady:

Helen is a tall, beautiful Estonian redhead in her mid-twenties with amazing natural breasts, lovely long legs and a shaved pussy. She is softly spoken and has a gorgeous smile. Could be a model. Classy and elegant. Flawless porcelain skin.

The Story:

This was the second time that I have seen Helen and won't be the last (see Review 127443 for my first review of her). She entered the room at 2.31 and gave me a kiss and I gave her the money. I laid on the bed and she took off her black outfit and lay beside me and asked what I liked. She started giving me some fantastic OWO before we moved on to the 69 position. On with the condom and we had some really nice slow sex in the missionary position. No fake sounds from Helen and seeing her smiling face underneath me was bliss. She briefly went on top and rode my cock but aware that time was running out, I went on top again and started to think about cumming. I pulled out and started wanking while touching her perfect breasts and eventually I did cum on them. While cleaning up and getting dressed, I had a nice chat with Helen. She's really easy to get on with and I can't believe that it's been nearly nine months since I last saw her. I looked at my watch and it was exactly 3:01 when Helen lead me to the door and gave me a kiss goodbye.

A perfect half an hour from a really lovely girl.
