### The Premises:

I have visited HoD for three years now and I always have had good experiences. Nice location, very discrete.

### The Lady:

British white girl with some tattoos. Skinny with a nice complexity. Beautifully pale, mid 20's. Beautiful body.

### The Story:

This is my second time with Scarlett, and I can't say enough about how gorgeous and skilful she is. She's very friendly and easy to talk to.

After paperwork was done and a very short - mildly awkward - small talk we got naked and she revealed her beautiful body. Man, her legs and bum are beautiful with perfect sized breasts. The shape of her pussy is sheer perfection and is topped with a lovely landing strip. I had to go down on her and tasted her lovely pussy. My god, she tastes like paradise. After that I spend some time kissing her pale legs and feet - I love her feet!

By then I was already super hard and we got on with the condom. Jesus, this whore knows how to ride! As I felt my cock going inside her, it felt like electricity radiated from my cock towards the rest of my body. She rode me while I was kissing her nipples and grabbing her perfect, round, pale ass. She's so tight.

Later I asked her to stand so I could shag her from behind. I can just tell you that the feeling of my cock going in and out of her while feeling her ass against my waist was glorious.

Best whore in london!

In both occasions she has been a couple of minutes late, that's my only complian
