The Premises:

Large room in shared flat. Building right near station but still discreet as on side road.

The Lady:

Now she is the girl in pics, however they are not recent. She has put in few pounds but not in a bad way. Hair is shorter. Still attractive milf IMO. Nice tits and little tuff of hair in pussy if you like that.

The Story:

Seen 3 times and never fails to provide excellent service. Treats me like a king and nothing is too much. All services to me are excellent and we click very well. Even massage is very sensual and gets you going for next round.

She is lovely so treat her accordingly. Highly recommended.
