Victoria basement flat, all good.

The Lady:

Vanessa was as described, medium height, curvy, nice ass, couple of piercings... and a huge clit!

The Story:

At the end Vanessa told me she thought it would be a good booking when she saw me... I thought exactly the same!

I'd read that she was a good punt and a laugh. Similar backgrounds so we clicked and could chat between rounds.

Started as usual with some nice kissing, she's very generous with this before she moved down for some owo. Soon after it was my turn to return the favour. Vanessa has a big clit and is very responsive to good oral.

On with the hat, a variety of positions, she enjoyed doggy the most I think, was happy with my size.

Great chat, good laugh, good company. Was happy to give me a recommendation on other girls. Would be keen to see her again in a duo.
