The Story:

HOD are masters of the superlative

But it's a pretty unique set up tbf

However, over the last week or three there was an unusual amount of praise heaped upon the returning Legend- 'Paris'...

(Not to be confused with a blonde paris at the MK venues)

Has had my interest piqued

The story goes she was one of the OG HOD girls via the Soho walk-ups when they were something

She left to do her own things, professionally and personally

And now she's back

HOD's twitter feed was unusually reverential towards her so this was a factor in my eagerness to book

This was accompanied by some grainy photos of a pretty but slightly scary looking young lady

I couldn't quite make it all compute, so being on one of the old MF weeks i thought i'd pay her a visit

I can see what all the fuss is about

She's beautiful, chatty and charismatic

She's very easy to talk to and down-to-earth

I'd had a busy week so by friday evening when I saw her I was pretty much spent

The session comprised of us bantering and laughing and her sucking my cock

Next time I shall put her through her paces

:-)

Ps since she's a British born Romanian I think it's quite cool as HOD revolves around its Romanian and Brit SPs. Feel like I need to involve her in a few Brit-Romanian duos/trios, watch this space
