The Premises:

I understand that GFE Sheffield has recently opened in the current location. It feels and looks brand new and is done out to a high standard. Booking was easy and efficient. Lots of discreet outside the parlour, which is just off the M1 motorway.

The Lady:

Maria's description is accurate. She is a young 30 something. Very attractive and so friendly. I must say her photos are very classic glamour photos and she fits the bill but she is so much more than the stereotype. She has bags of personality and is very passionate.

The Story:

What can I say... Maria, Maria I just met a girl called Maria! Wow, wow, wow! I had just finished getting dried off from the lovely shower when Maria walked in with that gorgeous big smile of hers. It was my first time with Maria and won't be my last.

Maria was dressed in classy underwear and I dropped my towel and we had a very passionate dfk, which was a very nice to get to know each other. This experience should be one of your 5 a day lol xx. Maria complemented me on my kissing technique but you've got to experience her for yourself. Those lips, that tongue, mmm xx.

My cock was rock hard by now so Maria invited me to sit at the edge of the bed and removed her underwear to reveal an awesome body with some great tits (all real). She then started licking and sucking my balls, while wanking my cock. I was loving it. Next she deep throat my cock, still managing to hold a conversation lol xx. You will find out if you do meet Maria that she can talk and talk lol xx. She is a very laid back and witty person and I would it hard to believe you wouldn't leave the gorgeous Maria without a smile on your face and a spring in your step.

We then moved onto the bed into a very nice 69, where I got to lick and finger that lovely juicy pussy. Meanwhile my cock was getting deep throat. I then suggested Maria lay back while I got to work on licking and fingering her pussy, while she rubbed her clit.

Time now for the condom and a bout of missionary with me on top trusting my cock deep into Maria's pussy and that awesome sound of my body and legs slapping against her arse. All the time she was moaning and encouraging me to fuck her and we deep French kissed once again adding to the girlfriend experience.

I just had to fuck her from behind so we got into doggy style and what a sight that was, with my cock sliding in and out of her wet pussy. I held onto those hips and fucked her hard and at one point I asked if I could pull her back and she said yes but not too hard. I could feel myself getting ready to cum so Maria laid near the edge of the bed so I could wank off over those lovely tits. I was wanking hard and Maria was encouraging me and at the same time opened her legs and started rubbing her pussy and clit hard. Not long after I came on her tits and we cleaned up and both showered.

I would definitely recommend a visit to see the gorgeous Maria. I will certainly be seeing her again to explore many of her list of likes, maybe a two girl experience? Think she also works at GFE Bury so that's a good excuse to go to Bury lol xx
