The Premises:

Old Hod 3. Room on the left. No ensuite. Someone finally had the presence of mind to open a window and the room was cool for once. It was a bit busy in the house when I arrived and I was asked to sit in the waiting room where I was able to cop an eyeful of English Lilly on one of the settees. I made conversation with her and was pleased when she adjusted her body to face me as we spoke. If she was only doing so to tout for business she may have succeeded cos she is now on my wish list

The Lady:

Anyway back to Sarah. She left HOD in May 2015 and I have missed her ever since. I couldn't believe my luck when she returned at the beginning of February. However she only works Mondays which isn't the best day for me. It took until 18 March for my opportunity to finally arise. I was more apprehensive about seeing Sarah again than I was about seeing someone for the first time. Four years is a long time and I was concerned that gravity was starting to win. Sarah hadn't aged a day in four years. Age cannot wither her. There must be a painting in her attic blah blah blah.

The Story:

Sarah entered the room wearing red underwear which she quickly dispensed of. Here tits were just as magnificent as ever and her nipples were erect and suckable. She got undressed and Sarah edged my cock, licking my shaft and laughing naughtily as she did so. Next she sat on my face and I licked her out. Then she sat on my cock for a while and we had a quick fuck. We finished off with me on my back, one finger up my bum and a finger tip on my nipple. Finally Sarah removed the finger from my bum and wanked me to a shuddering conclusion. As she did so she told me that I melted as she was controlling with me one finger of each hand. I love the way she knows how to talk dirty to her clients. It makes me wanna squeeze every last drop of spunk out just for her.
