The Lady:

Young and firm bodied with small but pert breasts. The absence of tattoos was a bonus. A bit toothy and kind of reminded me of a young Sally Thomsett. Extremely pretty.

The Story:

I must be getting old and uglier. No kissing. Oral was with condom but that didn't really bother me. What did bother me was Amy's poor oral skills. What else didn't she like? Oh yes, she doesn't like having her nipples sucked and her fanny lips prised apart when getting licked out. Oh, and she doesn't like making eye contact when you've got your dick inside her. She will happily look you in the eye when you are just chatting though.

It was one of those punts where you feel you've been mugged and wished you'd stayed patient enough to wait to see someone else instead..
