The Lady:

Really pleased when Samantha walked in very good looking lady. Not sure if she looks like a Royal as stated by others but she has an air of sophistication and sexiness which is very alluring. She is definitely a Samantha not a Sam!

The Story:

Couldn't get over the length of her legs they are very long and perfect. We both stripped and lay on the bed with some deep french kissing with lot's of tongue action. I asked what was and wasn't allowed, everything except anal and finger penetration. Samantha apologised for wiping my cock before giving me some wonderful OWO, god she is good at that! I then asked if I could repay the compliment which was greeted with "yes of course" Wow it was wonderful and the piercing gives you guide to the place to be!! If Samantha didn't cum she is an amazing actress. I had originally booked 45 minutes but asked to extend for an hour which was granted. We then chatted about all sorts finding out we had both lived for some time in the same Essex town. Samantha suggested she try to liven things up a bit and more OWO took place followed by cowgirl and missionary which was fantastic. I then went back down to her gorgeous pussy and while I was down there she asked me to put my finger in while she masturbated. WOW did she cum then it was explosive and she told me I had to visit her again. I then stood by the bed while she gave me some more OWO until I exploded over her breasts. What a fantastic punt Samantha is amazing!!
