The Premises:

One of Annabella's flats in CMK. Parking was a bit tricky which made me slightly late for the appointment so leave yourself plenty of time.

The Lady:

As described on her Annabella's profile - 5'7" tall, british blonde, stunningly attractive with a body built for sex!

The Story:

I'd been wanting to meet Chloe for a few years - ever since she was on the London escorting circuit as an independent. When I discovered she had moved to Annabellas I had to make it my number one priority to spend some time with her.

Chloe greeted me at the door in a figure hugging red dress. Immediately knew I had hit the jackpot.

She showed me to the room and asked me to get comfortable while she went to get me a drink. When she came back she treated me to a nice oily massage where she proceeded to keep me a nice sensual HJ before moving to a divine OWO.

She then removed her dress provocatively, wiggling her amazing ass in front of me, to reveal red panties and tanned stockings. I offered 69 and she readily accepted, removing her panties and climbed on top for mutual oral.

After a few minutes she asked if I'd like her to ride me. Well I was hardly going to say "no"! From cowgirl we went to doggy where I was trying desperately not to finish too soon. The verbal encouragement she was giving me was driving me to the edge.

Ended with a HJ over those amazing breasts.

I totally recommend Chloe and only wish I met her years ago when I had an opportunity. I hope she works with other girls at Annabellas. A threesome with Ella or Carla would be out of this world.

She's not in MK very often so grab the opportunity whenever you can. I'll certainly be going back for more.
