The Premises:

Samantha worked from a nice clean flat near shops with plenty of parking nearby.

The Lady:

Samantha is taller than many ladies but cannot be described as tall. She looks as if in her early 30s, very attractive with a lovely body to match and has piercings in interesting parts of her anatomy. Her current profile photos look like how she is in real life. I can understand why some reviewers think that there is a vague resemblance to Kate Middleton and some of these photos should bear this out.

The Story:

Samantha has been on my short list of ladies to see for quite a while but I am in a comfort zone of repeatedly frequenting some of those I have already tried and tested to minimise the risk of disappointment though trying to break out of this. As mentioned in my previous reviews, I undertake an in-depth study of a lady's reviews and apply rudimentary predictive analytics before booking so I can determine whether it is likely to be a good punt. It's no different I suppose to what a gambler does before placing a bet.

Samantha's reviews, both from her Milton Keynes Escort days as well as her current Annabellas, scored very highly as one reviewer had 257 Punternet reviews in total spread continuously over nearly 20 years while another had 131 reviews going back nearly 17 years both reporting on a wide range of ladies and establishments. For me, there is no greater measure of a review's veracity than the credibility of the reviewers based on their submitted reviews and reviewers don't come any more credible than these two. I was surprised therefore to read in a recent review that the author struggled to find any trusted reviews on Samantha though it sounded as if he still succeeded in having a incredible time with her just as all her other reviews have indicated. There must be a moral somewhere in this tale.

I also enjoyed a incredible time with Samantha. Things got off to a good start when we got to the room with incredible deep french kissing accompanied by lots of mutual groping. Samantha then suggested we removed our clothes and we got onto the bed so she could give me some incredible oral without a condom while I licked her pussy in return. With me rock hard at this stage, she asked

whether I wanted a condom and when I replied that I did, she asked me which position I wanted her in. I replied cowgirl and Samantha rode me to a most incredible climax while deep french kissing me. Incredible!
